

Fred Jensen Memorial Scholarship

Fred Jensen was an avid trapshooter who loved encouraging the younger generation of trapshooters. He served as the Alabama State delegate for many years and also had served as secretary/treasurer for the Southern Zone.

His family would like to remember his love for trapshooting and his love for working with AIM by honoring a male and female trapshooter. We will be awarding a \$250 scholarship to a deserving male and female that is a member of the Alabama AIM program. We hope that the deserving candidates will use this money for shells, entry fees, put it toward a new gun, in any way that can advance their experience in trapshooting.

The scholarship will be awarded on Saturday, May 30th at the Alabama State Shoot.

Good luck and happy shooting,
Louise Jensen
